

Award Nomination Form

Award: Distinguished Leadership in DMin Education

Criteria: longevity of service, contribution to the larger DMin community, quality of their DMin program, creativity shown in their work.

Invitations for nominations will be given in April and nominations will be accepted up until September of that same year. Nominations may be made by oneself or others. The Executive Board will evaluate those nominees by the criteria in September and choose one person per year. The announcement will be made the following April and a plaque presented to the recipient during the annual conference.
